

## **Instructions: when you drive to UKC 2023 (Hyatt Regency DFW)**

### **Short Driving Instructions**

- When you use a navigation system, please search 'DFW International Airport' to find directions (not the hotel's physical address). Once you have entered the airport via the toll booths, please follow the signs leading to the Hyatt Regency DFW, adjacent to Terminal C.
- **Take a ticket at a toll booth** (do **not** use your Toll Tag) and submit it to the hotel's front desk. Upon presenting the ticket, the hotel staff will give you a ticket that will allow you to leave the airport area without paying a toll.

*Note: If you forget to pick up a ticket from the hotel front desk, you are responsible to pay the proper amount of toll (ranging from \$6 to \$24).*

### **Parking**

- The hotel provides complimentary parking for UKC 2023 attendees.  
(Free parking for attendees)

## Detailed Driving Instructions

First, search 'DFW International Airport' if you use a navigation system (e.g., Google Maps, Apple Maps, etc.) and come to the main entrance of the hotel. The "Avoid Tolls" option won't take you to the main entrance of the hotel. You will see signs to 'Hyatt Regency DFW' near Terminal C once you enter the airport area.

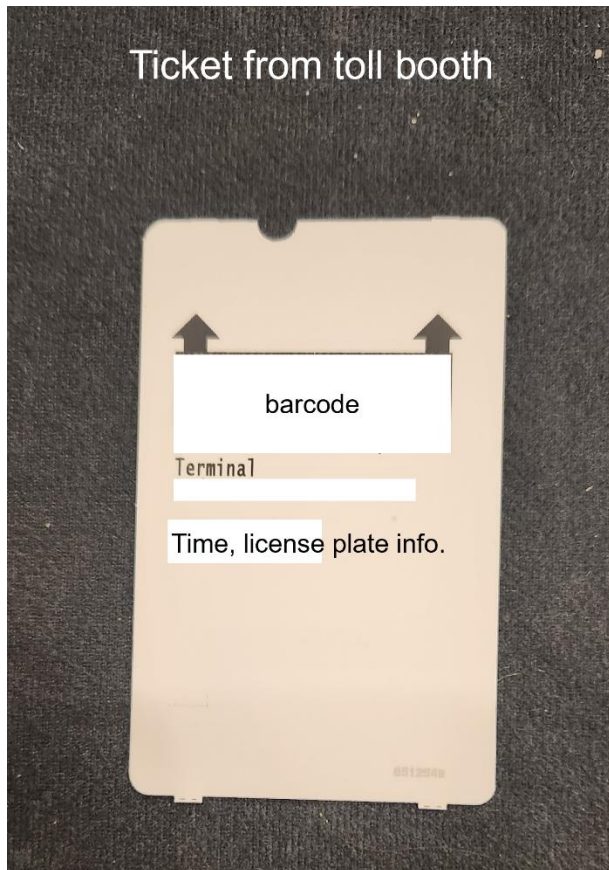

When you enter the airport area, you must go through a toll booth. Use the **'Ticket' or 'Ticket only' lanes** and take a ticket from the toll booth, ensuring you keep it. The hotel staff will exchange the ticket at the hotel so that you don't need to pay when you leave the airport area.

Take a ticket from a ticket machine at the toll booth.

In the airport area, please follow signs to 'Terminal C' and 'Hyatt Regency DFW.'

When you have arrived at the hotel, present your toll ticket to the front desk staff. The staff will give you a complimentary ticket that you'll use when leaving the airport area.

*Note: If you forget to pick up a ticket from the hotel front desk, you are responsible to pay the proper amount of toll (ranging from \$6 to \$24).*

When leaving the airport area, use the '**cash**' lane to submit the exchanged ticket.
